

## Union Marine Management Services Pte Ltd

June 29<sup>th</sup> 2020

Union Marine Management Services, UMMS, is pleased to announce the take over of M.V. BELLA ANN under its management.

The vessel is Bulk Carrier of the type TESS999 with 99.870 DWT, owned by Kambara Kisen and built at Tsuneishi shipyard in Zhoushan China. She is registered under the Liberian Flag. She is equipped with latest energy-saving technologies and addressing environmental regulation (equipped with Ballast Treatment system and Scrubber).

M.V. BELLA ANN is the first vessel of this type under our management and the biggest one (239,99m long with breadth, moulded of 39m). She is adding to the number of vessels that we are proud to have successfully taken over in these difficult times. We thank the owners for strong

support throughout the process and our staff ashore and especially the crew who have faced several hardships to show their courage and dedication to take over the vessel safely.

We welcome her to our family and wish her and crew onboard safe sailings and good health.
